Unep - 10 YFP Trust Fund: Sustainable Food Systems (SFS) Programme 2017

Descrição

The United Nations Environment Programme (Unep) is the leading global environmental authority that sets the global environmental agenda, promotes the coherent implementation of the environmental dimension of sustainable development within the United Nations system and serves as an authoritative advocate for the global environment.

The [10YFP Trust Fund](#) is used to support programmes and initiatives to shift towards SCP patterns that respond to the national and regional priorities of developing countries and countries with economies in transition. The [Sustainable Food Systems \(SFS\) Programme](#) is a global multi-stakeholder initiative with the goal to accelerate the shift towards more sustainable food systems. The Programme aims to promote sustainability all along the food value chain, from farm to fork.
